Next meeting scheduled for July 6, 2023, at 6:00pm.

City Concerns:

Jewell: No concerns

Ellsworth: No concerns

Stanhope: None reported

Public Input: Michele Hardy came before the meeting to discuss Jewell Jubilee. She had complaints from last year, people came to her about the number of law enforcement at the beer garden. They wanted to know why we felt the need to have so many extra people there. The report was that at one time all three EJS officers, several Hamilton County deputies and State troopers were at the beer garden. She was informed that we do not call them and ask them to come but if they come by then we welcome any additional assistance.

She would like to have the nickel scramble after the kiddy parade as they can lead the kids to the nickel scramble area as the end of their parade – shortly after 6pm

There will be fencing separating the beer area from the rest of main street, wrist bands will be used to show ID was checked. No individuals under 21 will be allowed in fenced in area.

Had concerns about trailer requirements as she “forgot” about that and has not made arrangements for trailers to be used. She was given a couple names to call to see if they could assist. We called D.O. about trailers from his 2nd job and he was not able to make that happen.

No votes or motions were made due to the insufficient number of members present, due to alternate obligations.

Meeting Adjourned 6:32pm
